Telephone System Tips:

- Pressing “0” at any time directs you to an operator.
- You may press an extension number for a particular person or department at any time during the automated attendant recording.
- Calls to a specific department are answered in the order they are received. If all lines are busy, your call is placed on hold for the next available representative.
- If the person you called is unavailable, voice mail answers your call. Press “1” to skip the voice mail recording and immediately leave your message.
- If voice mail answers your call and you would like to transfer to another extension, press *T, then the 4-digit extension number followed by the # sign.
